Charity Mission:

TAMCO Foundation is a (c) (3) non-profit, non-partisan charity which fully supports the mission and efforts of the charity "Embracing Florida's Wounded Heroes".

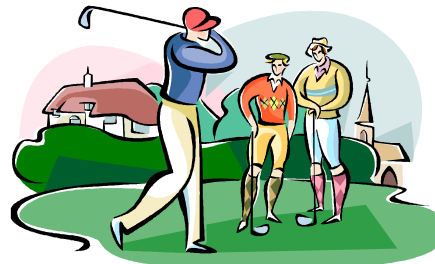

"Embracing Florida's Wounded Heroes" ("EFWH") provides direct support to military veterans wounded while serving in Iraq and Afghanistan.

Their mission is to embrace these American heroes and their families throughout their recovery and their return home as they rebuild their lives and endure associated challenges from their disabilities.

K of C Mission:

The Knights of Columbus was established in 1882 to provide a means by which Catholic men could support the Catholic Church, provide financial protection to protect their families, and engage in works of charity to benefit the less fortunate.

Following our founding principles of Charity, Unity, Fraternity and Patriotism we strive to make a positive impact in the community.
